Re: Item 4: Presentation of Findings and Recommendations on the Village's Comprehensive Planning Process

In January 2023, we held a joint-meeting of the Village Board and Plan Commission to provide an update on the Comprehensive Plan progress. Over the past several months, Teska has been working on a draft of the Comprehensive Plan and we are looking to hold another joint-meeting to provide the Board and Commission an update. We will be reviewing progress on drafting the plan and recommendations – based on the work to date and the previous January 2023 workshop.

We look forward to the discussion on Tuesday! For additional background on the formulation of the Plan to-date please do not hesitate to visit: <https://plangilbertsfuture.com/>
