# Project Specifications and Scope

## *Purpose:*

The scope of the following work is the removal of snow from Village maintained properties/cul-de-sacs.

## *Contract Duration:*

The Village is implementing a single year contract, with the option to renew for an additional two (2) years. The bid sheet requests pricing for all three years. At any time during the contract the Village may terminate said contract for any reason.

## *Contract Specifications:*

- A. Notice to Proceed: The contractor will be called into duty at the discretion of the Public Works Director or his designated appointee. Generally, the notice to proceed will be after 2" of snow but is dependent on the snowfall and the Village reserves the right to not bring in contractors.
- B. Any changes, alterations or substitutions to any of the requirements laid out in this bid package must be filled out on the "Alterations/Substitutions" sheet in Appendix A.
- C. It is the contractor's duty to inspect the area(s) involved in this bid package and evaluate them as needed. The Village will not be held liable or responsible for any miss-information on behalf of the contractor. If necessary, the Village representative will meet at any and all designated locations to discuss potential hazards and snow removal plans.
- D. Prior to the first snowfall each year, the Contractor and their drivers shall visit each site to observe locations of curbs, shrubs, manholes, fencing, fire hydrants, guard rails, electrical junction boxes and any other areas that are susceptible to damage as they are easily concealed by snowfall.
- E. The contractor must respond within one (1) hour of receiving a "Notice to Proceed" from the Director of Public Works or his appointed designee.
- F. At no time shall the contractor perform non-authorized work while working for the Village of Gilberts or any work outside of the scope that was supplied by the Village of Gilberts Public Works Director or their designee.
- G. All mobilization costs for any work performed shall be included in bid price.
- H. Any damage done while work is being performed by contractor must be repaired by the contractor to the original or a like new state.
- I. Contractor is responsible for providing their own bulk rock salt and deicer.
- J. The contractor will not be allowed to stage equipment at Village locations and is responsible for staging equipment off site at their own provided locations.
- K. All equipment and vehicles used by the Contractor shall be maintained and in good

working mechanical condition and where applicable, said equipment should have valid insurance, State of Illinois registration, and State of Illinois vehicle safety sticker. The Village reserves the right to accept any or all equipment submitted by the Contractor.

- L. All equipment to be used for snowplowing operations shall be equipped with an amber warning light mounted on the top of the cab or at a location clearly visible from all sides of the unit. All vehicles and equipment must be clearly marked to properly identify the snow removal company, including phone number and must be kept clear of snow at all times.
- M. Snow removal will be paid at the contract unit price per push of all identified areas. Post-storm clean-up will be paid at the contract unit price per hour.
- N. Time of Completion:
  - o For Village maintained properties if an evening snowstorm occurs, snow removal services must be completed prior to 8:00 a.m. the next day or within 3 hours of notification. If a daytime snowstorm occurs, snow removal services shall be completed within 4 hours of the start of the first push.
  - o For Cul-De-Sacs if an evening snowstorm occurs, snow removal services must be completed prior to 7:00 a.m. the next day or within 5 hours of notification. If a daytime snowstorm occurs, snow removal services shall be completed within 5 hours of the start of the first push.

*Terms Defined:*

- A. *Notice to Proceed:* The notification by the Director or Public Works or his designated appointee to the contractor to start work.
- B. *Safe Step Salt:* An environmental and pet friendly salt to be spread on sidewalks at designated locations.
- C. *Bulk Rock Salt:* Salt that should be spread on designated Village Parking Lots or Roads.
- D. *Time of Completion:* The time stated in the project specifications that the bidder should have all work completed by. This work does not include additional clean-up work that may be ordered by the Village if deemed necessary.
- E. *Clean-Up Work:* After certain events some clean-up work may be needed. This will not be considered a full push but separate from those prices and given a per hour rate on the bid sheet.

*Village Owned Properties:*

- A. Snow shall be pushed into designated locations set by Village of Gilberts personnel.
- B. Snow removal & ice control shall be completed in parking lots and on all sidewalks located on Village property or in the right-of-way of Village property.

- C. Bulk rock salt shall be applied at a minimum rate of 300lbs. per lane mile or otherwise determined by Village personnel. Application rates may vary pending weather conditions. Bulk Rock Salt specifications shall be submitted to the Village under the "Equipment" sheet. The Village can deny any bid based on unsatisfactory equipment or material.
- D. Unless otherwise directed salt shall be applied to all areas that are applicable during every event.
- E. Priority will be given to handicap ramps and staircases. These areas shall have snow removed and salt/deicer applied at a minimum of two times during each push. The bidder shall provide a pet and environmentally friendly safe step salt or equivalent for sidewalks, these specifications shall be listed under the "Equipment" sheet.
- F. All parking lot surface areas are to be plowed and treated with bulk road salt, the entire width (curb to curb) as directed by the Village. The Contractor is responsible to push back or remove snow to make room for the next storm. Snow will not to be placed on streets, sidewalks, brick paver areas and plant materials.

*Cul-De-Sacs:*

- A. In case of mailbox damage the Village will inspect mailboxes. If Village staff determines damage was caused by snow coming off the blade there will be no responsibility on the part of the contractor to pay for the damages. However, if it is determined that the snowplow hit the mailbox the Contractor shall pay up to \$75.00 for repairs for each mailbox damaged. In the event of multiple boxes on a post, the Contractor may be required to pay up to \$75.00 for each mailbox attached to the post. A \$25.00 administrative fee will be assessed to each mailbox claim.
- B. Bulk rock salt shall be applied at a minimum rate of 300lbs. per lane mile or otherwise determined by Village personnel. Application rates may vary pending weather conditions. Bulk Rock Salt specifications shall be submitted to the Village under the "Equipment" sheet. The Village can deny any bid based on unsatisfactory equipment or material.
- C. Snow must be removed from all public pavement areas per the map from curb line to curb line. Snow must be deposited in open areas of the parkways or at the end of the cul-de-sac as to not block sidewalks and ramps, driveways, fire hydrants, or mailboxes. Any pile impeding sight vision shall be relocated at no additional cost. At no time will snow be deposited in the center of the cul-de-sac or placed on plant material other than grass.
- D. If applicable the contractor will also clear the stub or section of road leading up to the cul-de-sac, these areas are all marked on the provided map and any further clarification should be sought by the contractor if needed.

*Cleanup and Restoration:*

- A. The contractor is responsible for all damage caused to the grounds, driveways, parking lots, structures located within the snow plowing area, sidewalks, temporary structures, vehicles, and etc. that were caused by the contractor.
- B. All repairs must be completed or scheduled to be completed within one month of being reported by the Village.
- C. In the event of hitting a stationary vehicle, moving vehicle or pedestrian, etc. while performing

snow removal duties for the Village of Gilberts, the contractor must immediately report to the Village of Gilberts and Village of Gilberts Police Department to start a police report.

- D. All lawn areas damaged by snow removal shall be regraded to form a smooth transition from the existing lawn to the disturbed area. The disturbed area will be treated with an application of pulverized topsoil with a 50/50 blend of bluegrass/ryegrass seed at a minimum rate of 5 pounds per 1,000 square feet and then a straw erosion matting (or equivalent) added on top of restored area. The Contractor shall provide replanting if necessary, until a healthy stand of grass is established by July 1 as determined by Gilberts Public Works personnel. All initial restoration must be completed no later than April 30 to the satisfaction of the Village. Failure to do so will result in the Village fixing the damage and possible termination of any future contract.
- E. The Village will inspect mailboxes. If Village staff determines damage was caused by snow coming off the blade there will be no responsibility on the part of the contractor to pay for the damages. However, if it is determined that the snowplow hit the mailbox the Contractor shall pay up to \$75.00 for repairs for each mailbox damaged. In the event of multiple boxes on a post, the Contractor may be required to pay up to \$75.00 for each mailbox attached to the post. A \$25.00 administrative fee will be assessed to each mailbox claim.
- F. If necessary, post storm clean-up, which includes removal of excess snow from blocked sidewalks, ramps, curb lines, around mailboxes, corners, site distance issues and fire hydrants. Village personnel will determine if post storm clean-up is necessary and will notify the contractor. Post storm clean-up will be based on an additional hourly rate. Any additional post storm clean-up due to driver negligence will not be paid.
