

The Village of Gilberts

2022 Calendar

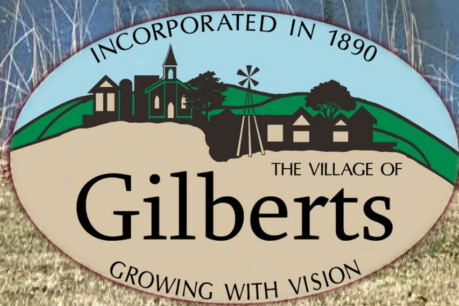

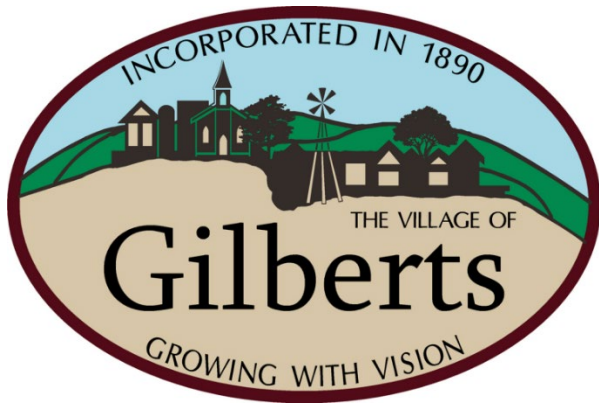

Photo by Kelly Henrikson

The Village of Gilberts is formally organized under the Trustee-Village form of government and combines the strong political leadership of the elected officials (in the form of the Village Board) with the professional experience of appointed local government administrator. The Board consists of a President and six Trustees elected at large to serve overlapping four-year terms.

2022
January

The President appoints the Village Administrator to carry out the Board's directives, and oversees the delivery of public services. The Village Administrator also supervises the daily operations of the Village and all of its departments. The Village Board meets the first and third Tuesday of the month at 7:00 p.m. at the Village Hall.

At Village Hall, the Village Staff is available to address residents' concerns and provide assistance. The Village Clerk serves as the Freedom of Information Act Officer. The Village Administrator directs the Village's planning, community development and economic development initiatives, as well as provides leadership and direction for long-term development of the Village.

January 2022

When clearing off your driveway and sidewalks, do not push the snow onto the street. Pushing snow onto the street is a code violation and may result in a fine.

In the Village of Gilberts, we are committed to a sustainable future and to improving the social, economic and environmental well being of the community. Our goal is to create cleaner neighborhoods in which we live by working together with our neighbors to improve our local environmental quality.

You can make a difference by recycling right and taking care while placing items in your recycling cart! (See poster at left).

The Kane County Recycles webpage (below left) has resources for things you can't recycle at the curb but for which there are recycling programs in the community, including:

- Household Hazardous Waste Home Collection Program
- Latex Paint can be recycled at Ace Hardware stores (cost)
- Fluorescent Tubes can be recycled at Geneva Ace Hardware
- Pharmaceutical/ Medication drop-offs
- Battery drop-offs

Kane County Recycling Centers are open year-round, 5-6 days a week, for recycling electronics, clothing, shoes, textiles, books, scrap metal and more. There are three locations: Aurora, Batavia, and West Dundee. There is a cost for TVs and monitors, but all other items are free to drop off. There are several free residential document shredding events scheduled for 2022 in St. Charles.

For more information, visit www.countyofkane.org/recycling or contact recycle@countyofkane.org or 630-208-3841

Please refer to the website for more information and to confirm details. www.countyofkane.org/recycling

April

Yard Waste & Garbage Collection

Here are some important things to remember -

- This year, yard waste is collected from **April 7 to November 26**
- Place yard waste in 30-gallon biodegradable brown paper bags or in open 30- gallon garbage cans.
- Each bunch of bundled tree branches cannot be longer than 4 feet and no larger in diameter than a 30-gallon garbage can.
- Maximum branch diameter is 4 inches for individual branches.
- All bundles and bags must not exceed 40 pounds.
- Have cans out by 7:00 a.m. and place cans 4 feet apart.
- Bulk items are accepted: couches, tables, beds, bundled carpets. Bulk items do not need to be tagged prior to pick-up.
- Electronics are not allowed to be put in trash. Items such as televisions, computers and computer monitors need to be taken to an electronics recycling facility.

April 2022

Trash or yard waste should be placed curbside by 7 a.m. on pick up day. Stickers are not required for bulk items. Yard waste must be in a 30-gallon biodegradable brown paper bag or in an open 30-gallon garbage can.

Building Safety

The Village of Gilberts encourages all residents to take some time to perform an annual home safety check to keep your family safe. Some of these items may include:

- Place a working smoke alarm on every floor and check batteries every six months
- Clear away dead or weak tree branches that may break off and damage your house in high winds
- Clear rain gutters of dead limbs, needles, and other debris
- Check all swings, slides, playhouses and other structures for sharp objects, rusty metal pieces, breaks or weakened support pieces
- Clean dryer lint filter and venting system
- Have chimney and furnace cleaned and inspected
- Open the circuit breaker panel and look for scorch marks around breakers or fuses
- Examine porches and decks for sagging ceilings, loose rails or boards, and damaged steps

Planning a home improvement project? Most building projects require a permit to ensure that the work performed adheres to the Village and International Codes. Some of our most common building projects that require a permit are for pools, decks, and fences. For a full list of permit applications, visit the Village's website or call the Building Department at (847) 428-2861 for more details.

July

The Village of Gilberts places a strong emphasis on educating our residents about the quality of our drinking water. Just as important, the Village of Gilberts makes the necessary investments to maintain and upgrade its facilities so we can deliver quality water directly to your tap 24 hours per day, 7 days per week. As regulations and drinking water standards change, it is our ongoing commitment to incorporate these changes in our water system in a prompt and cost-effective manner.

To comply with state and US Environmental Protection Agency (EPA) regulation, the Village issues a report annually describing the quality of your drinking water. Please visit the Village website at www.villageofgilberts.com for the most up to date water quality report.

Taylor Family Branch YMCA

50 N. McLean Blvd.

Elgin, IL 60123

(847) 888-7410

The Taylor Family YMCA has offered programs and services in Gilberts since 2004 providing children, families, and individuals the opportunity to strengthen their spirit, mind, and body. We continue to work hard each day to fulfill our commitment to youth development, healthy living, and social responsibility.

At the YMCA, our most important goal is to enrich the lives of children and families in our community...one child at a time...one family at a time. As such, the YMCA in Gilberts offers youth sports programs in; soccer, basketball, and baseball, as well as before and after-school childcare programs, and summer day camp. The YMCA is committed to strengthening the Gilberts' community and has partnered with the Village on many community sponsored events.

The Y makes accessible the support and opportunities that empower people and communities to learn, grow, and thrive. With a focus on youth development, healthy living, and social responsibility, the Y nurtures the potential of every youth and teen, improves the nation's health and well-being, and provides opportunities to give back and support neighbors.

Fun Facts

- The Village of Gilberts has a total of 9 Full-Time Public Works Employees including both the Streets and Utilities Division.
- The Village maintains and plows around 28 centerline miles of roadway. We also maintain a similar mileage in sanitary, water and storm sewer lines for a total of almost 90 miles of infrastructure that most people never see!
- The Village orders annually around 900 tons of road salt to keep the roads snow and ice free during the winter months.
- The Village has around 8,300 residents and the average resident produces 4.51 pounds of garbage per person per day. Which means Gilbert's residents on average are producing around 37,000 pounds of garbage per day.
- The Village has around 184 street lights throughout the entire community!

2022

December

To report pot holes, missing or down street signs, or street light outages please contact the Public Works Department

Parking on Village streets after a two-inch snowfall is a violation of the Village Code and may be subject to a ticket. Please remove the vehicles after two-inches of snow or more and do not place them back on the street until snow removal activities by Public Works have been completed. Doing this simple measure will assist the Public Works Department in keeping the roads safe for all travelers over the course of the winter season.

December 2022

Broken holiday lights? You can recycle them in the designated bin in the Village Hall parking lot until February 1, 2022.
