Irrigation Meter Installation Checklist

- Irrigation systems can only be installed after a permit is obtained. Applications for permits can be found at the www.villageofgilberts.com or the Public Works Facility at 73 Industrial Drive.
- Provide a copy of the Final Plat with the system drawn indicating the locations and number of the sprinkler heads. The irrigation system shall not be installed in the parkways of the Village right of way.
- The irrigation system contractor must be licensed with the State of Illinois and registered with the Village of Gilberts.
- The permit fee for the irrigation system is \$100.00, with includes the permit and the Village's contracted final plumbing inspection. You must provide a deposit of \$90.00 that may be returned to you after the final inspection. However, if you fail inspection, \$65.00 for re-inspection will be taken from the deposit. Credit or debit cards will be accepted.
- The cost of the irrigation system meters are \$274.57 for a 5/8" inch meter or \$469.48 for a one inch meter. Please include the requested meter size when applying for permit.
- The irrigation system is required to be protected by a reduced pressure zoned device (RPZ). The RPZ is to be initially certificated by a licensed plumbing contractor with the State of Illinois license to certify the device. A copy of the certificate of the RPZ device is to be forwarded to the Village of Gilberts prior to the final inspection.
- The Village Utility Department will install the system meter. Call the Village 24 hours in advance of the installation. A responsible person must be present for the installation.
- Call the Village of Gilberts at 847-428-4167 24 hours in advance to schedule the final inspection. A responsible person must be present for this inspection.
- The RPZ is to be annual certified by a qualified registered plumbing contractor. A copy of the annual certifications shall be forwarded to the Village of Gilberts.
- If installed outside, the RPZ must be protected from freezing.
- Water usage rates for the irrigation system shall be \$5.50 per 1000 gallons. The customer with an irrigation meter will receive billing separate from the domestic water and sanitary billing. As with all Village water meter billing, late fees and penalties will apply when appropriate.
