PREAMBLE

This Agreement entered into by the Village of Gilberts, Kane County, Illinois, an Illinois Municipal Corporation, hereinafter referred to as “the Employer,” or “the Village,” and the Metropolitan Alliance of Police Gilberts Chapter # 423, hereinafter referred to as “the Chapter,” is intended to promote harmonious and mutually beneficial relations between the Employer and the Chapter, and is set forth herein the basic and full agreement between the parties concerning rates of pay, wages and other conditions of employment for full-time police officers and probationary police officers with the rank of Sergeant and below of the Village of Gilberts, as defined herein below and hereinafter referred to as “Officers,” “Sergeants,” “Corporals”, or “employees”, or when the context requires a singular noun, as “Officer,” “Sergeant,” “Corporal” or “employee”.

ARTICLE I **RECOGNITION**

Section 1.1. Recognition:

Pursuant to an election and certification by the Illinois Labor Relations Board under Case, No. S-RC-05-143, dated August 12, 2005, and the certification issued thereon to the Chapter by the State of Illinois Labor Relations Board, the Employer recognizes the Chapter as the exclusive bargaining agent for the purpose of establishing wages, hours, and other conditions of employment for all full time employees in the Village of Gilbert Police Department in the ranks of Patrolman, Patrolman/Detective, Corporal/Detective, Sergeant, sworn full-time, and probationary officers with a rank of Sergeant and below within the police department of the Village of Gilberts, as described above, and excluding the Chief of Police and all other supervisory, managerial and confidential employees as defined by the Illinois Public Labor Relations Act all other persons employed by the Village of Gilberts. None of the provisions of this Agreement shall be construed to require either the Employer or the Chapter to violate any Federal or State Laws. The Chapter recognizes the Village’s right to employ and utilize auxiliary or part-time police officers to the extent allowed by law. In the event any provisions hereof or hereinafter stated shall conflict with any such law, such provision shall be modified to the extent necessary to conform to said laws.

Section 1.2. Probationary Period:

As established by the Village’s Board of Trustees and/or Board of Fire and Police Commissioners, the probationary period for Officers is twelve (12) calendar months in duration from the date of graduation from the Academy, or if no Academy training is required, twelve (12) calendar months from the starting date of employment date of employment. An exception shall apply to any officer who: (a) is certified as a full-time officer; (b) is hired as a full-time police officer after having completed a probationary period with the Village as a part-time police officer; and (c) has worked as a part-time police officer for the Village at least 1560 hours in the 24-month period immediately preceding his hire date as a full-time employee. In the case of a police officer who qualifies for this exception, the probationary period will be six (6) months from date of hire as a full-time police officer. The exception shall be applied retroactively to officers who meet the criteria for the exception and who were hired on or after January 1, 2015.

The Chief of Police shall have the authority to extend the probationary period for a police officer, whether it be a normal probationary period or one established by means of the exception, for up to an additional six (6) calendar month period if in the Police Chief’s opinion the extension is warranted.

Nothing herein shall be construed to modify the Village Board of Trustees and/or Board of Fire and Police Commissioners' authority to set or modify probationary periods. During the probationary period, an officer is subject to discipline, including discharge, without cause and with no recourse to the grievance procedure or any other forum. It is further agreed that probationary police officers shall be entitled to all other rights, privileges, and benefits conferred by this agreement except as previously stated, or as otherwise provided in this Agreement.

Section 1.3. Fair Representation:

The Chapter recognizes its responsibility as bargaining agent and agrees fairly to represent all employees in the bargaining unit, whether or not they are members of the Chapter.

Section 1.4. Gender:

Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 1.5. Chapter Officers:

For purposes of this Agreement, the term "Chapter Officers" shall refer to the Chapter's duly elected President, Vice-President and Treasurer.

ARTICLE II

As used herein, the following definitions apply:

3. "Union" shall refer to the Metropolitan Alliance of Police.
4. "Village" shall refer to the Village of Gilberts.

ARTICLE III
MANAGEMENT RIGHTS

Section 3.1. Management Rights:

Except as specifically limited by the express provisions of this Agreement, the Village retains all traditional rights to manage and direct the affairs of the Village in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine the budget and all the operations, services and missions of the Village; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to establish specialty positions; to establish work and productivity standards and, from time to time, to change those standards;

to assign overtime; to contract out for goods and services; to determine the methods, means, organization and number of personnel by which such operations and services shall be made or purchased; to make, alter and enforce reasonable rules, regulations, orders, policies and procedures as defined in Police Standard Operating Procedures and/or the Village Personnel Manual; to evaluate employees; to establish performance standards for employees; to discipline, suspend and discharge non-probationary employees for just cause, probationary employees without cause; to change or eliminate existing methods, equipment or facilities or introduce new ones; to determine training needs and assign employees to training; to determine work hours (shift hours); to determine internal investigation procedures; to take any and all actions as may be necessary to carry out the mission of the Village and the Police Department in the event of civil emergency as may be declared by the Village President, Police Chief, or their authorized designees. It is the sole discretion of the Village President to determine that civil emergency conditions exist which may include, but not be limited to, riots, civil disorders, tornado conditions, floods or other natural or manmade catastrophes. In the event of such emergency action, the provisions of this Agreement, other than compensation provisions, may be suspended, if necessary, provided that all provisions of the Agreement shall be immediately reinstated once the local disaster or emergency condition ceases to exist; and to carry out the mission of the Village.

Section 3.2. Illinois Public Labor Relations Act:

This Article does not diminish or restrict the right of the Chapter to contest or negotiate any changes made by the employer in regard to wages, benefits or conditions of employment as described by the Illinois Public Labor Relations Act, except where agreed upon by both parties.

ARTICLE IV
LAYOFF

Section 4.1. Layoff:

Where there is an impending layoff with respect to the employees in the bargaining unit, the Employer shall inform the Chapter in writing no later than thirty (30) calendar days prior to such layoff, except under emergency circumstances. The Employer will provide the Chapter with the names of all employees to be laid off prior to the layoff. Probationary employees, temporary and part-time employees shall be laid off first, then employees shall be laid off in accordance with their seniority. The employees with the least amount of seniority shall be laid off first.

No employee will be hired to perform or those duties normally performed by an employee while that employee is on layoff status.

Any employee who has been laid off shall be placed on the appropriate reinstatement list and shall be recalled on the basis of seniority in the police department.

Section 4.2. Recall:

Employees who are laid off shall be placed on a recall list for a period of twelve (12) calendar months. If there is a recall, employees who are still on the recall list, and are still qualified to return to work as a police officer, shall be called in the inverse order of their layoff. The employees who are eligible for recall shall be given thirty (30) calendar day's notice of recall. Notice of recall shall be sent to the employee by certified registered mail, return receipt requested, with a copy to the Chapter President. The

Chief of Police or his designee must receive written notice by the employee of his intention to return to work within seven (7) calendar days after receiving notice of recall. The Village shall be deemed to have fulfilled its obligation by mailing the recall notice by certified or registered mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Chief of Police or his designee with his latest mailing address. If an employee fails to respond to the recall notice within the required seven (7) calendar day period his name shall be removed from the recall list.

ARTICLE V **NO STRIKE CLAUSE**

Section 5.1. No Strike Clause:

Neither the Chapter nor any officers, agents or employees will instigate, promote, sponsor, engage in or condone any strike, sympathy strike, secondary boycott, slowdown, speed-up, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted, abnormal or unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism, picketing of any Village building, facility or work site, or picketing which in any way results in the interruption or disruption of the operations of the Village, regardless of the reason for so doing. Each employee who holds the position of officer or steward of the Chapter occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Section of this Article, the Chapter agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 5.2. No Lockout:

The Village will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Chapter.

Section 5.3. Judicial Restraint:

Nothing contained herein shall preclude the Village or the Chapter from obtaining judicial restraint and damages in the event the other party violates this Article.

Section 5.4. Discipline of Strikers:

Any employee who violates the provisions of Section 5.1 of this Article may be subject to disciplinary action, up to and including discharge, and to statutory penalties. Any action taken by the Employer against any employee who participates in any action prohibited by Section 5.1 above shall not be considered as a violation of this Agreement and shall not be subject to the provisions of the grievance procedure. The failure to confer a penalty in any instance is not a waiver of such right in any other instance, nor is it a precedent.

ARTICLE VI
COMPENSATION, OVERTIME AND HOURS OF WORK

Section 6.1. Compensation:

Compensation of covered employees shall be paid according to Appendix "A" attached hereto and by reference incorporated herein. The corporal shall be paid at the starting sergeant step.

Section 6.2. Normal Work Hours:

The normal workday shall be eight (8) hours or twelve (12) hours, depending upon the Chief's discretion, shift format, and/or specialty assignments, and shall include a thirty (30) minute paid meal period and two (2) fifteen (15) minute paid breaks each shift, subject to emergency work duties. The normal work cycle shall be fourteen (14) days.

Any hours of compensated time during a normally scheduled 14-day work cycle that are in excess of eighty (80) hours for officers on eight (8) hour shifts, or eighty-four (84) hours for officers on twelve (12) hour shifts, shall constitute overtime and shall be paid (in cash or compensatory time, at the employee's election but consistent with Section 6.10) at the rate of one and one-half (1½) times the employee's current rate of pay. For purposes of this Agreement, "compensated" time does not include Personal Days taken less than three (3) days in advance.

By mutual agreement, Sergeants, Corporals, and Police Officers currently are working 12-hour shifts. During the term of this Agreement, however, if the Chief of Police should determine that the 12-hour shift format has not met the operational needs of the Department, or has adversely affected the level of police services to the community, or has had severe economic consequences, or has resulted in unacceptable Sick Leave usage, or has diminished productivity or safety, the Chief shall have the right to discontinue the 12-hour shift format and revert back to the 8-hour shift format provided for or permitted by this Collective Bargaining Agreement. The reversion back to the 8-hour shift format must be reasonable and is subject to the grievance procedure. In the event that 12-hour shift employees revert to the 8-hour shift format, overtime for such employees shall be determined as provided above for officers on eight (8) hour shifts.

Section 6.3. Call Back:

An employee called back to work after having left work, or while otherwise off-duty, shall be compensated for a minimum of two (2) hours pay, unless the time extends to his/her regular work shift, in which case the employee will be compensated only for the actual time worked outside his regular shift, or one (1) hour, whichever is greater. The minimum shall be paid at the affected officer's applicable straight or overtime rate of pay, depending upon circumstances. If the employee who is called back works for more than two (2) hours, he shall be compensated for the actual time worked.

Section 6.4. Overtime:

All covered employees are eligible for overtime compensation. Overtime policies shall be in compliance with Section 533.230 of Title 29 of the Code of Federal Regulations. No employee shall

receive overtime until he/she has worked his/her scheduled 84 hours in a two-week pay period including “Compensated Time” as defined in Section 6.2.

When overtime assignments for full “SHORT SHIFTS” (defined as full duty shift which is below minimum manpower standards and requires the continuation of an on-duty Police officer covered by this Agreement) are not filled on a voluntary basis and it becomes necessary to order an Officer to work, the Officer shall be chosen by reverse seniority. Overtime shifts with more than a 12 -hour notice will be offered to part time officers before full time officers. If no part time officers are available a full-time officer may work the shift. Overtime shifts with less than a 12-hour notice may be offered to full time officers, then offered to part-time officers, before ordering an officer to work. Provided, however, no Officer shall be ordered to work more than one (1) shift holdover within three (3) consecutive calendar days unless the officer agrees to do so. All extra duty details (those shifts or details outside of regular patrol shift scheduling) will be offered to full-time officers before part-time officers. Extra duty details are details paid for by an outside source, or details deemed by the chief to be an extra duty detail.

Employees will be paid overtime compensation for attending school or training sessions where attendance is required by the Village and is not scheduled during their normal work hours and/or shift, providing that they have the forty (40) hour work week.

All overtime shifts that arise will be offered to full-time officers equal in rank first based on seniority, unless another full-time officer can hold over from the shift prior.

Section 6.5. Court Time:

Any employee who is required to appear in court on behalf of the Village on off-duty hours shall be compensated for a minimum of three (3) hours pay at the officer’s applicable straight or overtime rate of pay, depending upon the circumstances, unless the time extends to time worked outside his/her regular shift. The Village may provide a department vehicle if one is available. If no vehicle is available, the Village will pay mileage at the applicable IRS rate, only to the extent that the personal vehicle mileage exceeds that of the round-trip mileage from the affected officer’s home to the Village Police Department.

Section 6.6. Work Breaks:

Breaks may be taken at the discretion of the supervisor, for reasonable intervals, at reasonable times, and with such other units as the supervisor may deem reasonable. The supervisor shall ensure that adequate coverage exists at all times during break periods. The break period is considered on-duty time, and personnel are considered to be available for any assignment during any break period, including all routine calls within their beat.

Section 6.7. Shift Assignments:

An Employee shall be permitted to exchange shifts with another Employee subject to the approval of the Chief of Police or his designee. Employees shall be permitted to exchange shifts provided that all of the following conditions are met:

1. The change does not result in additional overtime compensation being paid to any of the Employees involved in the shift change.

2. The Employee changing shifts will forfeit seniority for vacation picks only on the new shift.

Section 6.8. Meetings:

Any Employee required to be at a departmental meeting during their non-working or non-shift hours shall be compensated for actual time attending said meeting with a minimum of two hours (2) of compensation at the officer's applicable pay rate or overtime rate of pay as long as the 40-hour work week is met.

Section 6.9. Acting Sergeant Compensation:

Patrol Officers assigned as Acting Sergeant for ten (10) or more consecutive work days in any thirty (30) calendar day period shall be compensated at the starting sergeant's pay rate for all hours so worked.

Section 6.10. Compensatory Time:

In lieu of overtime pay in accordance with Sections 6.2 and 6.4, an employee may earn compensatory time. Compensatory time shall be earned at a rate equal to one and one-half (1½) of the regular base pay hours for each overtime hour worked over the pay period. No employee shall be permitted to receive compensatory time except with the written permission of the Chief or his designee.

An employee may accrue and bank up to a maximum of eighty-four (84) hours of compensatory time. Once the eighty-four (84) hour limit on compensatory time accumulation has been reached, all overtime worked in excess of that limit shall be compensated by overtime pay. On April 30 of each year, all compensatory time in each officer's bank shall be converted to overtime and paid out as part of the officer's next paycheck.

Scheduling for compensatory time off shall be at the discretion of the Chief of Police or his designee.

Section 6.11. Specialty Pay for FTO Duties:

An officer assigned as a field training officer (FTO) shall be compensated at the rate of one (1) hour of overtime pay or compensatory time off for each full shift during which he serves as an FTO for a probationary officer. In order for an officer to be eligible for this specialty pay provision, the officer must be a certified FTO. Sergeants are not eligible for FTO pay, inasmuch as that training responsibility is an essential job function of the rank of Sergeant.

ARTICLE VII
CHAPTER SECURITY AND DUES CHECK-OFF

Section 7.1. Fair Share:

In light of *Janus v. AFSCME*, fair share fees are no longer collected. So long as *Janus* remains binding authority, fair share fees will not be collected. However, should *Janus* be overruled, the parties will meet and bargain over the means and manner by which fair share fees will be collected.

Section 7.2. Dues Deductions:

Upon receipt of proper written authorization from an employee, the Employer shall deduct each month's Chapter dues in the amount certified by the Treasurer of the Chapter from the pay of all employees covered by this Agreement who, in writing, authorize such deductions. Such money shall be submitted to the Metropolitan Alliance of Police within fifteen (15) calendar days after the deductions have been made.

Section 7.3. Indemnity:

The parties agree that in the event of a legal challenge to the Fair Share Agreement, the Union will bear the entire burden of defense, provided that the City does not initiate or prosecute such a legal challenge.

Section 7.4. Revocation of Dues:

A Chapter member desiring to revoke the dues checkoff may do so by written notice to the Employer at any time upon thirty (30) calendar days' notice.

Section 7.5. Bulletin Boards:

The Village shall provide the Chapter with designated space on a bulletin board, for posting of Chapter announcements, seniority roster, and other items of legitimate Chapter business that are non-inflammatory and non-political in nature. The Chief of Police or his designee may remove posted items, which he reasonably believes to be inflammatory or political in nature.

Section 7.6. Labor-Management Meetings:

The Chapter and the Employer agree that, in the interest of efficient management and harmonious employee relations, meetings will be held between no more than two (2) Chapter representatives and responsible representatives of the Employer. The Village in its sole discretion shall determine its representatives at such meetings. Such meetings will be held at least twice annually, and additional meetings will be held if mutually agreed between the Chapter and the Employer. Such meetings may be requested by either party at least fourteen (14) calendar days in advance by delivering a written request to the other for a "labor-management meeting" and providing the agenda for such meeting. Such meetings, times and locations shall be limited to all of the following conditions:

1. discussion on the implementation and general administration of the Agreement;
2. sharing of general information of interest to the parties; and
3. safety issues.

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered at "labor-management meetings," nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried out at such meetings.

Attendance at labor-management meetings shall be voluntary on the employee's part. Attendance shall not interfere with required duty time and attendance, if during duty time, is permitted only upon prior approval of the Employer.

ARTICLE VIII
VACATION

Section 8.1. Eligibility and Allowances:

All full-time employees are eligible to earn vacation beginning on their start date with the Village as set forth in Section 8.3 of this Agreement. Employees are not eligible to use accrued paid vacation time until after the completion of six (6) months of continuous full-time employment.

Section 8.2. Scheduling:

Employees shall be allowed to take accrued vacation time according to the Village Personnel Manual in accordance with Police Department manpower requirements, and on the basis of their seniority. Sign up for annual vacations will be according to Police Department policy. A sign-up sheet will be posted providing each employee a date on which to select vacation. Dates will be selected in increments of one (1) day at a time. Vacation will be assigned according to seniority by rank, with the most senior employee within rank being assigned the first date. Employees may not sign-up prior to their assigned date unless all employees ahead of them have either signed up or waived their selection. Employees who miss their sign-up date may sign-up at their earliest opportunity, however, no bumping will be allowed. Employees not selecting their vacation during the sign-up period may still request vacation at any time, however, no bumping will be allowed. No vacation days may be taken without prior notice to and approval of the Chief of Police.

Vacations selected during the initial bid period shall have priority over all other leave time and training. Vacations taken in five (5) or more consecutively scheduled work day intervals will be allowed to include the officer's regularly scheduled days off, occurring immediately before and after such vacation.

Section 8.3. Accrual Schedule:

Vacation accrual will be calculated on a monthly basis beginning with an employee's date of employment. Vacation sign-up shall begin in January of each calendar year and officers may register for vacation before it is earned, but no vacation can actually be taken until after it is earned. The maximum yearly vacation accruals are as follows:

0-12 Months	80 hours
Following completion of 1st, 2nd, 3rd & 4th years of service	80 hours
Following completion of 5 th through 11 th years of service	120 hours
Following completion of and including 12 th year of service +	160 hours

Vacation accrual will be calculated on a monthly basis beginning with an employee's date of employment with the Village. The monthly accrual amount is equal to the employee's maximum yearly vacation accrual divided by twelve (12).

Section 8.4. Accumulation:

The maximum number of vacation hours which may be accrued by an employee is eighty (80) hours over the employee's maximum yearly vacation accrual. Vacation hours accumulated in excess of this amount will be lost.

Vacation credit shall not be accumulated during any layoff period, nor shall vacation credit be accumulated during an unpaid leave of absence.

Section 8.5. Village Emergency:

In case of a natural or civil emergency, the Village President or the Police Chief may cancel and reschedule any or all approved vacation leaves in advance of their being taken, and/or recall any employee from vacation in progress.

ARTICLE IX
HOLIDAY AND PERSONAL TIME

Section 9.1. Holiday:

Holiday recognition and designation shall be set by the Village alone. Effective upon execution of this Agreement, the following ten (10) days are holidays with pay for all employees of the Gilberts Police Department:

- | | |
|-------------------|------------------------|
| New Year's Day | Independence Day |
| President's Day | Friday Before Easter |
| Memorial Day | Labor Day |
| Thanksgiving Day | Day After Thanksgiving |
| Christmas Eve Day | Christmas Day |

Section 9.2. Holiday Pay:

1. As each of the holidays listed in Section 9.1 is observed, each Officer covered by this Agreement, whether he works the holiday or not, shall receive twelve (12) hours at the Officer's base rate of pay as holiday pay. In lieu of receiving twelve (12) hours of holiday pay, an officer may elect to request the opportunity to use the twelve (12) hours of holiday time to take the holiday off, subject to the same procedures currently required to obtain approval for time off from the Chief of Police or designee with the Chief (or designee) having the ultimate discretion to approve or deny the request pursuant to Section 8.2 above. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an employee or the Chapter against the Employer involving the meaning, interpretation or application of the provisions of this Agreement. The parties agree that the discipline of members shall be subject to the jurisdiction to the grievance procedure to the extent and under the circumstances provided for in Article XIV. Any time period provided for under the steps in the grievance procedure may be extended or contracted by mutual agreement.

STEP ONE: The employee, with or without a Chapter representative, may take up a grievance presented in writing to the Chief of Police within ten (10) calendar days. The Chief of Police shall attempt to adjust the grievance as soon as possible, and therefore will schedule a meeting with the employee, his immediate supervisor and Chapter Representative within ten (10) calendar days after receipt of the grievance from the employee. The Chief of Police shall then render a written decision, based on the supplied information during the meeting, and shall deliver said decision to the grievant, within ten (10) calendar days of the meeting. Written communication can replace a meeting between the Chief of Police and the employee involved in the grievance if the parties mutually agree. Such communication must be presented to the Chapter Representative to be forwarded to the Chief of Police.

STEP TWO: If the grievance is not adjusted in Step One, the grievance shall be submitted by the grievant in writing to the Village Administrator or his designated representative within ten (10) calendar days of the receipt from the Chief of Police of his response in Step One. A meeting shall be held at a mutually agreeable time and place and participants shall discuss the grievance and hopefully come to an equitable solution. If a grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the Village Administrator, or his designated representative, shall give the grievant the Employer's answer in writing within ten (10) calendar days following their meeting.

STEP THREE: If the Chapter is not satisfied with the decision of the Village Administrator, the Chapter may appeal the grievance to arbitration by notifying the Village President and the Village Board of Trustees in writing within ten (10) calendar days after receipt of the Village Administrator's response in Step Two. If agreement cannot be reached in the selection of an arbitration service, the choice shall be determined by a coin toss. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the Village and the Chapter shall have the right to strike two (2) names from the panel. The order of alternate striking shall be determined by a coin toss, with the losing party striking the first and third names. The person remaining shall be the arbitrator. The arbitrator shall fix the time and place of the hearing which shall be as soon as possible after his selection subject to the reasonable availability of Chapter and Village representatives.

The Arbitrator shall be notified of his selection and shall be requested to set a time and place for the hearing subject to the availability of Chapter and Village representatives.

The Village and Chapter shall have the right to request the Arbitrator to require the presence of witnesses or documents. Both parties may retain the right to employ legal counsel.

The power of the arbitrator shall be limited to the interpretation and application of the written terms of this Agreement. In no event may the terms and provisions of the Agreement be deleted, modified or amended by the arbitrator. He shall consider and decide only the specific issue raised by the grievance as originally submitted in writing to the Village, and shall have no authority to make his decision on any issue not so submitted to him. The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or submission of briefs by the parties, whichever is later, unless the parties agree to an extension. In the event the arbitrator finds a violation of the Agreement, he shall determine an appropriate remedy. The decision of the arbitrator shall be final and binding on the parties. No decision or remedy of the arbitrator shall be retroactive beyond the period specified in Step One of this grievance procedure.

In the case of a grievance concerning an error in scheduling where the grievance is upheld, the Village will compensate the employee affected for money lost because of said error in scheduling.

Section 12.2. Fees and Expenses of Arbitration:

The fee and expenses of the arbitrator and the cost of the written transcript, if requested by both parties, shall be divided equally between the Village and the Union provided, however, that each party shall fully bear the expense of preparing and presenting its own case including the costs of witnesses and other persons it requires to attend the arbitration. Should only one party request a transcript, that party shall pay for the cost of the transcript.

Section 12.3. Forms:

The Union shall furnish mutually acceptable grievance forms, which shall be used by both parties.

Section 12.4. General Rules:

- a. Any decision not appealed by the employee or the Chapter as provided within the time limits specified in each step shall be considered settled on the basis of the latest decision and shall not be subject to further appeal. Any grievance not answered within the time limits specified in each step shall be automatically appealed to the next step. However, time limits at each step may be extended by mutual written agreement of the Chapter and the Village.

If the officer elects to have his grievance heard by the Board of Fire and Police Commissioners, a notice of appeal to the Board of Fire and Police Commissioners must be filed in lieu of the filing of a notice of arbitration within the ten (10) calendar day time period provided by Article XII, Step Three. Such election of appeal either to arbitration or to the Board of Fire and Police Commissioners, once it is submitted in writing and signed by the officer and the Union, shall be final and may not be changed except to withdraw the grievance.

UNIFORM BENEFITS

Section 17.1. Benefits:

Employees starting employment with the Police Department shall be equipped with uniforms and equipment by the Village in accordance with the list described in Appendix "C" which is attached hereto and part of hereof. Equipment and uniforms issued to new employees will be returned to the Village if the employee terminates his employment or is terminated.

All covered employees shall be entitled to uniform and equipment replacement pursuant to the existing "quartermaster" system. Covered employees are entitled to up to \$650.00 per year in expenditures per calendar year for uniforms and equipment items under the quartermaster system. All old and/or used uniforms and equipment shall be turned in prior to disbursement of new uniforms and equipment.

The Chief will determine the style and make of all prescribed uniforms and equipment.

Section 17.2. Damage to Uniforms or Property:

Any issued uniform or issued equipment damaged in the line of duty and without negligence of the Police Employee involved shall be repaired or replaced by the Village at its expense upon return to the Village. Damage or destruction of eyeglasses or contact lenses, occurring on duty, shall be replaced or repaired by the Village at its expense, up to a maximum of \$250.00 per year. Damage or destruction to watches, occurring on duty, shall be repaired or replaced by the Village at its expense with a maximum of \$50.00 per year. Affected employees must provide receipts for repair or replacement of items pursuant to this Section. Payment pursuant to this Section shall not include reimbursement for eye examinations required prior to the replacement of eyeglasses or contact lenses. All old uniforms and/or property shall be returned to the Village prior to disbursement of new uniforms and/or property

Section 17.3. Vests:

The Village agrees to provide each covered employee a bullet proof-vest, at the Village's expense. The Village agrees to replace said vest after five (5) years of continuous use (or pursuant to the manufacturer's recommendation), at no cost to the Employee. The Chief of Police reserves the right to approve the vendors for replacement vests. The Chief of Police reserves the right to promulgate rules and regulations relating to the use and wearing of vests pursuant to this Section. Except in emergency situations and to protect and insure the safety of its officers, the Village will be required to purchase no more than five (5) bullet-proof vests in any one fiscal year.

ARTICLE XVIII
OFF DUTY EMPLOYMENT

Section 18.1. Employment Outside Department:

The Chief of Police may restrict off duty employment in the best interest of department operations. Patrol Employees may be allowed to engage in off duty employment, subject to the prior written approval of the Chief of Police or his designee. Such approval shall not be unreasonably denied. No employee shall be allowed to wear his Gilberts' police uniform while in the service of another employer except with the written permission of the Chief. No outside employment shall interfere with the regular duties of any employee, nor shall said outside employment include any activity which could negatively reflect on the Village.

Section 18.2. Extra Duty Details:

When the Department posts an extra duty detail, Employees with seniority will have first choice to fill those positions. Any requests of the Police Department for extra duty details will be forwarded to the Chief of Police. Any employee who works an extra duty detail shall be paid one and one-half (1 ½) times the employee's current hourly rate of pay for all hours worked on the detail, unless said detail falls on a holiday at which time the rate will be double his hourly rate of pay. Part-time officers shall not be eligible for extra-duty details until all full-time officers are granted the opportunity to accept or refuse such details.

ARTICLE XIX
SENIORITY

Section 19.1. Seniority:

Unless stated otherwise in this Agreement, seniority for the purpose of this Agreement shall be defined as an employee's length of continuous full-time service with the Village since the employee's last date of hire. Within each rank, length of continuous service in that rank since appointment to the rank shall determine relative seniority between members of that rank, rather than the employee's total service with the Village.

Section 19.2. Determination of Seniority:

Seniority shall be determined by Police Employees length of service within as described in Section 18.1. Time spent in the armed forces or on military leave of absence, time absent from work on family medical leave, sick leave, and time absent from work due to work-related duty disability, not on disability pension, shall be included. Time absent from duty when on suspension in excess of twenty (20) days, or when absent without authorization or for any other purpose shall not be included.

Section 19.3. Maintenance of Seniority List:

A current and up-to-date seniority list showing the names and length of service of each Police Employee shall be maintained for inspection by members and shall be updated on an annual basis. This list is contained in Appendix "B" which is attached hereto and made part hereof.

Section 19.4. Forfeiture of Seniority:

An employee shall forfeit his seniority rights upon separation from service due to dismissal, layoff or retirement. Accumulated seniority rights shall be reinstated provided that any employee who has a break in service of more than one year must successfully complete a retraining program and a physical test prescribed and approved by the Chief of Police at the Village's expense, and under any one or more of the following conditions:

1. An employee retires due to disability and is later certified by the Police Pension Board to be capable of resuming his duties and is returned to work by the Chief of Police.
2. An employee is dismissed and later reinstated by a court of competent jurisdiction.
3. An employee is separated due to a layoff or reduction in force and is later reinstated under conditions provided in the Illinois Compiled Statutes.

ARTICLE XX
LIGHT DUTY

Section 20.1. Work Schedule for Light Duty:

Any Employee who is injured or is otherwise unable to perform his full-time duty will be allowed, with a written physician's approval, the opportunity to work existing and available light duty, subject to

the Chief's approval and in accordance with the needs of the Department, and according to the applicable departmental policy. Light duty shall consist of those tasks assigned by the Chief of Police. When more than one employee seeks a light-duty assignment, preference for such assignment shall be given to an employee who was injured in the line of duty over another whose inability to perform regular duties did not arise from the performance of his duties. Nothing in this section shall be construed to create an obligation on the Village to create or designate work which might be considered to be "light duty." The Village and the Chapter agree that there shall be no pyramiding of benefits of light duty assignments with workmen's compensation or other disability benefits.

ARTICLE XXI **GENERAL PROVISIONS**

Section 21.1. Chapter Employees:

Authorized representatives of the Metropolitan Alliance of Police shall be permitted to visit the Department during working hours to talk with employees of the local Chapter and/or representatives of the Employer concerning matters covered by this Agreement, as long as it does not disturb the normal operational activities. It is understood that this is to be with the expressed approval of the Chief of Police and exercised at his sole discretion and shall not be unreasonably withheld.

Section 21.2. Immunization and Inoculations:

The Employer agrees to pay all expenses for inoculation or immunization shots for the employee and for members of an employee's family when such becomes necessary as a result of said employee's exposure to contagious diseases where, in determination of the Chief of Police, said employee has been exposed to said disease in the line of duty.

Section 21.3. Killed in Line of Duty Benefit:

The employer agrees to pay Fifty Thousand Dollars (\$50,000.00) to the immediate family of any bargaining unit employee who is killed in the line of duty. This onetime payment is an expression of financial support to the family to offset funeral and miscellaneous expenses of the employee.

Section 21.4. Medical Evaluations:

Prior to participation in the annual physical fitness evaluation, employees will undergo such medical and vision testing, screening and/or evaluation, as the Village deems appropriate to ensure the employee's medical capacity to undergo the physical fitness evaluation without undue risk. The medical evaluation will be provided by a vendor or vendors of the Village's choice, at Village cost.

Section 21.5. Fitness Examinations:

If there is any question concerning an employee's fitness for duty, or fitness to return to duty after an absence, the Village may require that the employee have an examination by a qualified and licensed physician or other appropriate medical professional selected and paid by the Village. Such an examination shall be required for any employee who has been performing other than his regular duties or has been on administrative leave following a "critical incident," (e.g., officer-involved shooting).

Section 21.6. Residency:

The parties recognize that the Gilberts Village Board and/or Board of Fire and Police Commissioners have currently established a residency limit of 30 miles from the Village of Gilberts. The parties agree that, should the Village Board and/or Board of Fire and Police Commissioners act to reduce the current residency limit for current members of the bargaining unit, the Chapter may reopen negotiations over the issue of residency requirements for bargaining pursuant to the provisions of the Illinois Public Labor Relations Act.

Section 21.7. Solicitation:

While the Village acknowledges that bargaining unit employees may conduct solicitation of Village of Gilberts merchants, residents or citizens, the Chapter agrees that no bargaining unit employee will solicit any person or entity for contributions on behalf of the Village of Gilberts Police Department or the Village of Gilberts.

Bargaining unit members agree that the Village name, shield or insignia, communication systems, supplies and materials will not be used for solicitation purposes. Solicitation for the benefit of the collective bargaining representative by bargaining unit employees may not be done on work time or in a work uniform. The bargaining unit employees agree that they will not use the words “Village of Gilberts Police Department” in their name or describe themselves as the “Village of Gilberts.” Bargaining unit members shall have the right to explain to the public, if necessary, that they are members of an organization providing collective bargaining, legal defense and other benefits to all patrol-rank police officers employed by the Village.

The foregoing shall not be construed as a prohibition of lawful solicitation efforts by bargaining unit members directed to the general public. Each party hereto agrees that they will comply with all applicable laws regarding solicitation.

This Section 21.7 does not apply to the solicitation efforts of the Metropolitan Alliance of Police or any of its agents who are not bargaining unit employees.

Section 21.8. Wellness Incentive Program

Should the Village offer a wellness program to all Village employees, the same wellness program will be offered to Bargaining Unit Members.

ARTICLE XXII
DRUG AND ALCOHOL TESTING

Section 22.1. Recognition:

For purposes of this Section, the term “employee” includes all bargaining unit members. It is the policy of the Village of Gilberts that the public has the absolute right to expect persons employed by the Village in its Police Department to be free from the effects of drugs and alcohol. The Village, as the employer, has the right to expect from its employees to report to work fit and able for duty and to set a positive example for the community. The purposes of this policy shall be achieved in such a manner as not to violate any established constitutional rights of the employees of the Police Department.

Section 22.2. Prohibitions:

Employees shall be prohibited from:

1. Consuming or possessing alcohol at any time and at any place while on duty except as may be necessary in the performance of duty as authorized by the Chief or his designee.
2. Possessing, using, selling, purchasing or delivering any illegal drug at any time and at any place except as may be necessary in the performance of duty as authorized by the Chief or his designee.
3. Failing to report to the employee's supervisor any known adverse side effects of medication or prescription drugs that the employee may be taking.
3. Ingestion or illegal possession of a prescription drug which has not been prescribed to the employee, or the use of prescribed drugs for other than prescribed purposes.
4. Testing positive for illegal drugs at any time or for being under the influence of alcohol while on duty except as may be necessary in the performance of duty as authorized by the Chief or his designee.
5. Failing to notify the Chief of any criminal drug statute conviction no later than 5 days after such conviction.

Section 22.3. Drug Testing Permitted:

Where the Village has reasonable suspicion to believe that an employee's work performance is adversely affected because the employee is under the influence of alcohol or the abuse of prescription drugs or has used illegal drugs, the Chief of Police or his designee shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. The Village may order reasonable suspicion testing in conjunction with the investigation of an incident involving the injury of a police officer or member of the public, or a vehicle accident. The Village will order testing in conjunction with an officer involved shooting as required by Section 22.7 of this Agreement. The Village also may test employees on a random basis with no employee being tested more than two (2) times per year. The employee shall be informed of his or her right to Chapter representation, and shall be entitled to such if so requested. The foregoing shall not limit the right of the Village to conduct any tests it may deem appropriate for person seeking employment as police officers prior to their date of hire, or upon promotion or reassignment to another position within the Department. Testing shall not be delayed by reason of the employee's inability to consult with legal counsel or a Chapter representative. An employee's failure to submit to a drug test can result in discipline or termination.

Section 22.4. Order to Submit to Testing:

The Chief of Police or his designee shall provide the employee with a general verbal description setting forth the facts and inferences which form the basis of the order to test. If the Chief of Police or his designee gives a verbal order to submit to testing, the employee must complete the testing as soon as practicable, but no later than by the end of the employee's shift. Failure to complete testing by the end of the employee's shift will constitute a refusal to submit to such a test.

Within 48 hours, the Chief of Police or his designee shall provide the employee with a written statement setting forth several of the salient facts and inferences which form the basis of the order to test where the test is based upon reasonable suspicion. Refusal to submit to such a test will subject the employee to discipline by the Chief of Police and/or Police and Fire Commission, but the taking the test shall not be construed as a waiver or any objection or right that the employee may have.

Section 22.5. Test to be Conducted:

In conducting the testing authorized by this Agreement, the Village shall:

- a. Use only a clinical laboratory or hospital facility outside of the corporate limits of Gilberts which is certified by the State of Illinois to perform drug and/or alcohol testing, or use a licensed Breathalyzer operator who is not a member of the bargaining unit.
- b. Establish a chain of custody procedure for both the sample collection and testing that ensures the integrity of the identity of each sample and test result.
- c. Collect a sufficient sample of the same bodily fluid or material from an officer to show for initial screening, a confirmatory test, and a sufficient amount to be set aside reserved for later testing if requested by the officer.
- d. Collect samples in such a manner as to preserve the individual employee's right to privacy while ensuring a high degree of security for the sample and its freedom from adulteration. Employees shall not be witnessed by anyone while submitting a sample except in circumstances where the laboratory or facility does not have a "clean room" for submitting samples or where there is reasonable suspicion that the employee may attempt to compromise the accuracy of the testing procedure.
- e. Confirm any blood or urine sample that tests positive in initial screening for drugs by testing the second portion of the same sample by gas chromatography/mass spectrometry (GC/MS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites.
- f. Provide the employee tested with an opportunity to have additional blood or urine sample tested by a clinical laboratory or hospital facility of the employee's choosing at the employee's own expense, provided the employee notifies the Village within seven (7) days of receiving the results of the test.
- g. Require that the laboratory or hospital facility report to the Village that a blood or urine sample is positive only if both the initial screening and confirmation test are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Village inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of tests administered), the Village shall not use such information in any manner or form adverse to the employee's interests.
- h. Require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results showing an alcohol concentration

of .020 or more based upon the grams of alcohol per 100 millimeters of blood be considered positive (NOTE: The foregoing standard shall not preclude the Village from attempting to show that test results between .010 and .019 demonstrate that the employee was under the influence, but the Village shall bear the burden of proof in such cases).

- i. Provide each employee tested with a copy of all information and reports received by the Village in connection with the testing and the results.
- j. Ensure that no employee is the subject of any adverse employment action except emergency temporary reassignment or relief of duty during the pendency of any testing procedure.

Section 22.6. Voluntary Request for Assistance:

The Village shall take no adverse employment action against any employee who voluntarily seeks treatment, counseling or other support from an alcohol or prescription drug related problem not involving or related to criminal activity other than the Village may require reassignment of the employee with pay if the employee is unfit for duty in his current assignment. Nothing herein shall limit the employer's right to discipline employees for misconduct arising out of or relating to the employee's use of illegal drugs or alcohol. The foregoing is conditioned upon:

- a. The employee was not under investigation for illegal drug use or abuse of alcohol.
- b. The employee agreeing to appropriate treatment as determined by the health care professional(s) involved.
- c. The employee discontinues the illegal use of drugs or abuse of alcohol.
- d. The employee completes the course of treatment prescribed, including an "after care" group for a period of up to twelve (12) months.
- e. The employee agrees to submit to random suspicionless testing during hours of work during the period of treatment and "after care," discussed in (d) above.

Employees who do not agree to or act in accordance with the foregoing shall be subject to discipline, up to and including discharge. This Article shall not be construed as an obligation on the part of the Village to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing the duties of a police employee or whose continuance on active status would constitute a direct threat to the property and safety of others. Such employee shall be afforded the opportunity, at the employee's option, to use accumulated paid leave or take an unpaid leave of absence pending treatment

Section 22.7 Drug and Alcohol Testing Following an Officer Involved Shooting

1. Unless contradicted by this Agreement, employees shall be required to abide by the Employer's General Order regarding use of force, including the section requiring each officer who is involved in an officer involved shooting to submit to drug and alcohol testing.

2. For clarity, an employee "involved in" an "officer involved shooting" is defined to mean any officer who discharged a firearm thereby causing injury or death to a person or persons. If multiple officers discharged their firearm, and it is unclear whose bullet struck the person or persons, then all officers who discharged their firearm in the direction of the subject shall be required to submit to drug and alcohol testing.

3. The term "involved in" an officer involved shooting does not include officers who did not discharge their weapon, even if they were providing other forms of support and assistance during the call. Nor does the term "involved in" include officers who discharge their weapons when it is undeniably clear their projectiles did not actually strike any person or persons.

4. The provisions of the Collective Bargaining Agreement regarding drug testing and standards for discipline shall regulate the drug testing procedures and the consequences for any positive drug test results.

5. Any drug or alcohol test required pursuant to this Agreement shall be considered a compelled, non-voluntary drug or alcohol test under threat of termination. Such testing shall only be done by urinalysis or breathalyzer. Blood tests shall only be administered with a warrant.

ARTICLE XXIII **SAVINGS CLAUSE**

Section 23.1. Savings Clause:

In the event any Article, Section or portion of this Agreement should be held invalid and unenforceable by any board, agency or court of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specifically specified in the board, court or agency decision; and upon issuance of such a decision, the Village and the Chapter agree to notify one another and to immediately begin negotiations on a substitute for the invalidated Article, Section or portion thereof.

ARTICLE XXIV **ENTIRE AGREEMENT**

Section 24.1. Maintenance of Economic Benefits:

All direct and substantial economic benefits which are not set forth in this Agreement and are currently in effect shall continue and remain in effect until such time as the Village shall notify the Chapter of its intention to change them. Upon such notification, and if requested by the Chapter, the Village shall meet and discuss such change before it is finally implemented by the Village. Any change made without such notice shall be considered temporary pending the completion of such meet and confer discussions. If the Chapter becomes aware of such a change and has not received notification, the Chapter must notify the Village as soon as possible and request discussions if such discussions are desired. The failure of the Chapter to request discussions shall act as a waiver of the right to such discussions by the Chapter.

Section 24.2. Entire Agreement:

The Agreement constitutes the complete and entire Agreement between the parties and except as stated in Section 24.1 “Maintenance of Economic Benefits” concludes collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. If a past practice is not addressed in this Agreement, it may be changed by the Employer as provided in the management rights clause, Article III. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or ordinance from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 24.3. Ratification and Amendment:

This Agreement shall become effective when ratified by the Village Board and the Chapter and signed by authorized representatives thereof and may be amended or modified during its term only with mutual written consent of both parties.

ARTICLE XXV
TERMINATION

Section 25.1. Termination:

This Agreement shall be effective as of the day after it is executed by both parties and shall remain in force and effect until April 30, 2022. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing at least sixty (60) calendar days prior to the anniversary date and not earlier than one hundred twenty (120) calendar days that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin no later than sixty (60) calendar days prior to the anniversary date. In the event that either party desires to terminate this Agreement, then the benefits as described herein shall remain in full force and effect with no diminution up to and until a new collective bargaining agreement shall be executed, and the party wishing to terminate shall give notice at least ninety (90) calendar days prior to the expiration date hereof and not earlier than one hundred twenty (120) calendar days.
