Jimmy Nick is an old-fashioned, guitar slinging blues prodigy who spent his teenage years being schooled by legendary bluesmen in the famous Chicago clubs. Jimmy has opened for the legendary Eddie Shaw, Bobby Rush, Dick Dale, and has performed at [SXSW](#).

SEMPL prides itself on its entertaining combination of musicianship and high energy stage performance. Fronted by one of the city's most prominent lead singers and the band's namesake, Keith Semple, every show is guaranteed to be a nonstop great time!

Crawford's Daughter performs songs from artists such as Fleetwood Mac, Rolling Stones, Sheryl Crow, Marvin Gaye, Janis Joplin, Al Green and more. They deliver fiery guitar, powerful vocals, creative bass lines, and 4-part harmony to bring you versions of some of the greatest rock, blues, and soul tunes ever written.

The members of **Heartless** share a common experience; love of music and a long history of performing, and specifically performing the music of Heart. Each contributes his own unique experience and talent. The result is in-your-face style and a high energy performance that will leave you wanting more.

Hillbilly Rockstarz is Chicago's very own country super group, specializing in covering the latest hits in country music, including some of your classic favorites. The band is always true to the original recording, so they always gotcha covered. Each member of the band shares one thing in common, the desire to perform a true live music show full of radio friendly country music,

All party, no commitment! **Wedding Banned** is a cover band formed in Gas City, Indiana. After being dubbed "too wild and crazy" by their hometown, they hit the road to look for gigs. They landed a Thursday night gig at the Cubby Bear that turned into a seven month run. They have never looked back. Chicago Rocker magazine voted them the best dance band in Chicago!

The Wayouts' members have diverse musical resumes. The four friends discovered a shared love of 1960s garage rock by artists like The Kinks and The Animals and recognized an opportunity to offer something different in Chicago's live music scene. Their set list is made up exclusively of songs that everybody knows but aren't worn out by your average classic rock and oldies acts.

Rosie & The Rivets perform the best danceable music of the 1950's and early 1960's along with some current hits with a retro twist. Not your typical 'oldies playing oldies' band, they are a high energy, female fronted show that's fresh and fun for all ages.

From the powerful guitar duel in "Hotel California" to the shimmering harmonies of "Peaceful Easy Feeling," a **Heartache Tonight** show is a true Eagles concert experience featuring all the timeless classic songs from one of the greatest rock bands of all time.
