

APPROVED MINUTES

VILLAGE OF GILBERTS
VILLAGE BOARD MEETING

July 14, 2009

7:30 p.m

CALLED TO ORDER:

Village President Zirk called the meeting to order at 7:31 p.m.

ROLL CALL/ESTABLISH QUORUM:

Members present: Trustee Erbeck, Clark, Mierisch, Zambetti, Farrell, Garcia and President Zirk. Others present: Village Administrator Keller, Engineer Kanthack, Attorney Tappendorf, Police Chief Joswick, Finance Director Blocker, Administrative Intern Cratty, Chief Building Inspector Swedberg and Acting Village Clerk Meadows. (Members of the public see the attached list). President Zirk declared a quorum present.

RECOGNITION

President Zirk reported that the Police Commission comprised of Mr. Dean Stiegemeier, Chris Asher and Bill Lindoerfer recommended promoting Todd Block to the rank of Sergeant. President Zirk stated due to a family emergency Commissioner Lindoerfer was unable to attend the meeting tonight however, he had written a letter and asked President Zirk to read the letter on his behalf. For the record the letter is attached.

President Zirk stated that Sergeant Block had requested the recognition be informal. The Board Members along with Administrator Keller congratulated Sergeant Block on his accomplishment.

PUBLIC HEARING

President Zirk opened the Public Hearing for the Appropriation Ordinance for the Fiscal Year Beginning May 1, 2009 and Ending April 30, 2010 at 7:37 p.m. Acting Clerk Meadows called the roll. Roll call: Trustees Clark, Mierisch, Zambetti, Farrell, Garcia, Erbeck and President Zirk.

President Zirk asked if anyone from the public had any questions or comments with respect to the Appropriation Ordinance. There were no comments from the public.

Finance Director Blocker stated that this is a document that municipalities are required by State Statute to pass in the first quarter of each fiscal year. The Ordinance sets spending limits for the Village, however the Village does follow the working budget. There was some discussion with respect to adopting the Budget System in lieu of the Appropriation Ordinance. This matter will be discussed in more detail in the near future.

A motion was made by Trustee Clark and seconded by Trustee Erbeck to close the Public Hearing. Roll call: Vote: 6-ayes: (Trustee Mierisch, Zambetti, Farrell, Garcia, Erbeck and Clark). Motion carried. The Public Hearing was closed at 7:39 p.m.

PUBLIC COMMENT AND DISCUSSION

President Zirk asked if anyone in the audience wished to address the Board.

Dan Corbett of 81 Augusta Drive addressed the Board Members. Mr. Corbett stated that a few weeks ago at a Board Meeting it was mentioned that a few hundred residents had stated they are unhappy with the Police Department and Chief Joswick. Mr. Corbett stated that did not sound right to a lot of the residents. So they began going door to door asking residents to sign a petition in support of keeping Mike Joswick as Chief of Police. For the record the Village Clerk has copies of the signed petitions. In addition Mr. Corbett provided the Board Members with a written report titled "Police Chief Survey 06/23/09-07/12/09. The report provided the Board Members with a background description and the question being asked to the residents and the resident responses. For the record the Village Clerk has a copy of the survey.

In conclusion, 90.6% of the residents that were approached by the residents conducting the survey are not in favor of removing Mike Joswick as Chief of Police. Mr. Corbett asked the Board to do the right thing.

Susan Sloan of 448 Sleeping Bear addressed the Board. Ms. Sloan inquired on the status of steps the Village was taking to relieve flooding concerns along Sleeping Bear Trail. President Zirk reported that recently Mr. Kannigan has completed some maintenance work that has already alleviated some of the drainage and flooding concerns. The Village is waiting on Mr. Kannigan to draft an agreement and a plan.

Mr. Rick Keeling of 486 Kildare Street addressed the Board. Mr. Keeling stated the Village had done some work on Kildare Street over a year ago. The Village has yet to complete the culvert repairs.

Mr. Lawrence Stoner of 271 Gregory M Sears addressed the Board. Mr. Stoner stated that he feels safe living in Gilberts. Mr. Stoner voiced his support for Police Chief Joswick.

Ms. Dora Asmussen who resides at 599 Kathleen stated she had recently met with President Zirk and they had a good conversation. However, she is very concerned with respect to a recent article that ran in the Elgin Courier. Ms. Asmussen proceeded to read the newspaper article. President Zirk stated that he had been misquoted and will ask the Elgin Courier to retract the article.

Ms. Asmussen asked the Board Members if they want the Police Department to enforce the law. All the Board Members agreed that they do want the Police Department to enforce the laws.

Michelle Sparks who resides at 217 Red Hawk Path stated that she was one of the residents that worked on the petition drive. She asked the Board Members to tell her the issues that they have with Chief Joswick.

Ms. Sparks went on to say that she felt Chief Joswick was doing a wonderful job and that the Police Department should be commended.

Mr. Dennis Bogumill who resides at 150 Copper Mountain stated that last year his grandchildren were participating in a YMCA program outdoors. When a tornado was spotted he saw Chief Joswick watch to be sure all the children were safely off the field and had been picked up prior to him leaving the area. Mr. Bogumill stated that is the kind of man Chief Joswick is.

Mr. Mike Young who resides at 242 Woodland Park Circle stated that him and his wife moved to the Village about 7 ½ years ago because it was a safe place to raise a family. Mr. Young went on to say that President Zirk had made a comment that he would remove the Chief on his first day in office. Mr. Young stated that “if you think for a minute that does not appear to be negligent and that the Board has not done due process your crazy and if you think for a minute that this doesn’t look like a favor for one of you most vocal supports of your campaign your crazy”.

Mr. Young went on to say that President Zirk campaigned on the premise of transparency and if he would have known this was a part of the transparency policy he would have not been a supporter. He asked President Zirk to reevaluate his position.

Mr. Jeremy Haefling who resides at 131 Willey addressed the Board. Mr. Haefling stated he does not know where he stands on either side of the issue of removing the Chief. However, he would like the Board to explain why it is time for a change in the Police Department. President Zirk informed Mr. Haefling that he is welcome to contact him anytime and he will be happy to tell him his issues with Chief Joswick.

President Zirk went on to say he looks for an area of cooperation between staff and the Board. President Zirk used Administrator Keller as an example. President Zirk reported that when he came into office he and Administrator Keller were at opposite ends of the spectrum.

However, after meetings with staff members and sharing the direction of the new Board, he and Administrator Keller have a much different working relationship and if Administrator Keller could be here today anyone could be here today.

Trustee Clark stated that it is not appropriate to discuss personnel in open session. Attorney Tappendorf elaborated on the reasons why personnel issues are discussed in Executive Session.

Attorney Tappendorf noted one of the reasons for personnel being discussed in closed session is to protect the reputation of the employee. However, the public decision to remove or replace an employee or to appoint an official or employee will be made in a public meeting.

President Zirk stated that he does want to be clear on this matter. However, due to the constraints of the Executive Session responsibilities he has gone as far as he probably can. However this is the forum that the public can comment and the Board Members will listen to the comments and they will be used as part of the process moving forward.

David Grupp who resides at 434 Kildare Street addressed the Board. Mr. Grupp has two issues. The first issue, Mr. Grupp wants to know who on the Board will be contacting the Courier News to demand that the news article discussed earlier is retracted. President Zirk will contact the Courier News. The second issue, Mr. Grupp stated that we have seen significant grass root work and a survey on the removal of the current Police Chief. He stated that he is concern with the amount of expense that will be incurred if the Village were to continue the process of hiring a new Police Chief. He felt it be in the best interest of the Village to resolve the matter with the Chief.

Mr. Tim Gara who resides at 58 Leadville Lane expressed his support of Chief Joswick. Mr. Gara also stated that he moved to Gilberts because is a quite community. He does not want Gilberts to become a South Elgin.

Ms. Dora Asmussen reminded the Board Members that they are not above the law and the residents will be watching. She asked the Board Member if they misrepresent the Village would they be willing to step down.

Ms. Kelly Hurley who resides at 61 Augusta Drive stated that Administrator Keller does a great job. However, when Ray makes a decision it affects Ray. When Chief Joswick makes a decision it affects his men and their families. The Police Officers are risking their lives everyday. Ms. Hurley asked after only thirty days in office how the Board could make a decision on the Chief's performance.

Ms. Rose Brown who resides at 643 Welch Street expressed her support for the Chief. Ms. Brown stated she felt Chief posed the qualities of a good Police Chief. He is fair, compassionate, and not judgmental.

In addition, Ms. Brown will follow-up with President Zirk with respect to her drainage concerns.

Mr. Mike Blank who resides at 669 Welch Street expressed his support for the Chief.

Mr. Ryan Lange who resides at 894 Tipperary asked the Board Member to listen to the voice of the people. Ms. Layne is very proud of her town and even her eight year old daughter knows the Chief's name. Ms. Layne hopes the Board can resolve the personal issues with Chief Joswick.

There was some discussion with respect to the Chief waiving his rights with respect to personnel issues. President Zirk recommended that the residents ask Chief Joswick what the concerns are.

Deborah Lange who resides at 894 Tipperary Street asked the Board Members if they were resentful of Chief Joswick due to the fact they he assisted in the re-election campaign for then President Wajda. Ms. Lange asked if this is a personal vendetta. President Zirk responded absolutely not. Ms. Lange stated she does not understand how the Board could come to the determination to remove Chief Joswick after only thirty days.

Ms. Sue Corbett who resides at 81 Augusta stated that she believes it is awful the way the Board is treating this civil servant. The Chief has been an employee with the Village for twenty seven years. Ms. Corbett noted that it takes a special kind a person to put on a uniform everyday and know that they might have to risk their lives to save our lives. Ms. Corbett stated when and if the time comes to vote on this issue each and every Board Member will be held accountable.

There was some discussion among members of the public with respect to the public's legal options.

Nancy Stellick who resides at 429 Jean Street expressed her support for the Chief. Ms. Stellick stated that in her opinion we have a great Police force and that shows that Chief Joswick is a great leader.

Ms. Stellick asks if the Board had reviewed Chief Joswick's personnel files.

Ms. Stellick went on to say after 27 years of service thirteen of which has been as Chief did the Board go through his records. She pleaded with the Board to take the time to see the good in the Chief.

Roll call: Vote: 6-ayes: (Trustees Zambetti, Farrell, Garcia, Erbeck, Clark and Mierisch).
0-nays, 0-abstained. Motion carried.

Trustee Mierisch noted that on the June 23, 2009 Special Meeting Minutes page two paragraph three the correct spelling of the resident's last name and her daughter's last name is Stellick. Acting Clerk Meadows will correct the record as noted.

A motion was made by Trustee Mierisch and seconded by Trustee Erbeck to approve the amended minutes of the June 23, 2009 Special Meeting Minutes. Roll call: Vote: 6-ayes: (Trustees Zambetti, Garcia, Erbeck, Clark, Mierisch and Farrell). 0-nays, 0-abstained. Motion carried.

APPROVAL OF BILLS AND SALARIES

A motion was made by Trustee Erbeck and seconded by Trustee Farrell to approve the Bills and Salaries dated July 14, 2009 as follows: General Fund \$565,462.79, Developer Donations \$2,500.00, Permit Pass Thrus \$2,330.00, Performance Bonds and Escrows \$490,874.75, Water Fund \$65,584.71, Payroll \$116,481.29 for a grand total of \$1,244,233.54.

President Zirk asked if there was any items the Board wished to discuss.

Trustee Erbeck questioned the John Deere Landscapes invoice in the amount of \$4,092.55. Finance Director Blocker stated that this is annual invoice for ongoing services. Chief Building Inspector stated that John Deere Landscapes is the vendor we purchase the chemicals for the spraying of the Emerald Ash Bore from.

Trustee Erbeck asked what is Payline West. Chief Building Inspector Swedberg reported that Payline West is a company that leases machinery and currently the Village has leased a backhoe. Chief Building Inspector Swedberg stated that the backhoe is used day in and day out and the amount of \$7,950.00 is the annual lease rate.

Trustee Erbeck questioned the \$2,477.19 to Wolf Builders. Finance Director stated that this is a return of their escrow balance.

There being no further discussion President Zirk asked Acting Clerk Meadows to call the roll. Roll call: Vote: 6-ayes: (Trustees: Garcia, Erbeck, Clark, Mierisch, Zambetti and Farrell). 0-nays, 0-abstained. Motion carried.

ORDINANCES/RESOLUTIONS/MOTIONS TO BE PASSED

A motion was made by Trustee Clark and seconded by Trustee Mierisch to approve Ordinance 09-10 an Ordinance Adopting an Electronic Participation Meeting Policy.

President Zirk asked the Trustees if they would like to discuss this matter.

Trustee Zambetti stated that this matter had already been discussed at length.

Trustee Garcia stated that in the past the Board had tried communicating remotely with Trustee Erbeck and the sound quality was poor and it just did not work. In addition, he stated that the Board Members ran to be elected and have committed to attend the Board Meetings in person.

Trustee Farrell stated that in an emergency situation the policy might be effective.

Trustee Mierisch reported she had reviewed the Pandemic Plan and did not find a reference to the fact that the Village needs to adopt an electronic participation policy.

Trustee Clark stated if an emergency arose the Board could vote to allow remote communication.

Trustee Erbeck stated that this is the age of technology and in certain situations Board Members should be allowed to participate remotely.

He recalls past situations where some Board Members were not in attendance and unable to vote on an important matter. If they had been allowed to participate remotely the outcome more than likely would have been different.

There being no further discussion President Zirk asked Acting Clerk Meadows to call the roll. Roll call: Vote: 2-ayes: (Trustees Erbeck and Farrell). 4-nays: (Trustees: Clark, Mierisch, Zambetti and Garcia). 0-abstained. Motion failed.

STAFF REPORTS

Administrator Keller reported that Kane County had recently proposed the creation of a \$1,000,000 economic development program to support job creation efforts.

The grant program, relying on riverboat revenues, could be used to help pay for County road impact fees or stormwater fees, fund infrastructure improvements or support “smart growth” initiatives. This program was approved at the July 14th board meeting. The County has since set the program aside to provide cash flow for the County Health’s Department operations.

The State is presently six months behind in its payments to the County for health services; the move avoids a layoff of 58 health care works. Administrator Keller stated that he will continue to monitor the County’s budget situation for potential impacts to the Village.

Trustee Mierisch stated that recently a resident Mr. Benjamin Bartel asked if the Board would be interested in initiating an energy committee. Trustee Mierisch reminded the Board Members that they all appeared to be interested. Trustee Mierisch is concerned that this matter might get lost. Administrator Keller stated that he is looking for Board direction. President Zirk directed Clerk Meadows to add this matter to the project list.

Trustee Mierisch asked what the process is when resident approaches the Board with ideas. President Zirk stated it will be up to the Board Members to prioritize the items for the staff. Administrator Keller stated that when a resident comes before the Board with ideas that the Board would like to add to the project list it would be helpful if they said add this item to the project list. That way it is capture in the minutes and the Village Clerk can place it on the project list.

Chief Building Inspector Swedberg reported that Public Works employees have completed the Steamboat project. Thursday and Friday the Public Works employees will be installing the football goal post.

President Zirk recommended in the future the Board might want to consider requiring developers to televise the storm sewers prior to Village acceptance. Administrator Keller reported that he has a list of items to incorporate into any new annexation agreements and he will add this recommendation to his list.

Trustee Garcia inquired how was the tree trimming program going. Chief Building Inspector Swedberg reported that Public Works have completed trimming the trees and have addressed all the dead and dying tree concerns. They are still in the process of spraying the trees.

Finance Blocker reported that she has received the preliminary draft of the audit. She will add her comment and should have a draft for the Board to review by the end of August.

Administrator Keller reported that tonight is the last Board Meeting that Intern Cratty will be in attendance. Administrator Keller went on to say that Intern Cratty had taken on many special projects and has also helped with Public Works projects. Administrator Keller stated that Intern Cratty will be missed by all and we wished him well.

Trustee Farwell asked who is responsible for the Timber Trails ponds and wetland areas. Chief Building Inspector Swedberg reported that the Timber Trails HOA is currently reviewing the annexation agreement and will get back to us.

President Zirk elaborated on the fact that a lot of people want to see a manicured wetland or pond area. However, many of the areas are made to be naturalized wetlands.

Trustee Zambetti noted to his knowledge the Village has inspected, treated or removed infected ash trees. However, he stated he believes there is an infected tree located by St. Mary's cemetery right off of Tyrrell Road. He directed Chief Building Inspector Swedberg to investigate this matter. Chief Building Inspector Swedberg stated he would.

Trustee Mierisch reported that on August 9th she was contacted by Emergency Planning Agency. They will be conducting a large exercise and are looking for 100 people to volunteer as victims. Trustee Mierisch stated if anyone is interested in participating please contact her. Trustee Garcia asked if children can participate. Trustee Mierisch was unsure however she will find out.

Trustee Mierisch stated she is looking for direction from the Board. She has been contacted by the Elgin Police Department. Trustee Mierisch noted that Elgin Police Department was involved in starting the Gilberts CERT's program. They have begun holding quarterly meetings with the Emergency Personnel which would include participation by Sherman Hospital, Kane County Health Department and Elgin Police Department. Trustee Mierisch is wondering if the Board would like her to participate. However, she is trying to turn these types of functions over to the Citizen Corp. Council. However, the current members will be unavailable for the first meeting. President Zirk stated Trustee Mierisch has been involved in the past and she can continue to represent the Village.

Trustee Clark requested to see a timeline of the Village's take over of the Water Treatment Plant including the staffing numbers and certification requirements. Engineer Kanthack stated this information will be included in the Baxter & Woodman's plan.

Trustee Erbeck reported that he has been contacted by Sue Corbitt and has since has set-up a meeting with her and the GYFCA representative on August 5th.

Trustee Erbeck stated for the record that he is very pleased to see that the YMCA is now leaving the soccer nets up at Town Center Park and Memorial Park. Trustee Erbeck stated he sees a lot of children using them on the weekend and thanks the YMCA very much.

Trustee Erbeck recommend that the Village purchase nets. This way if the nets or ever damaged the Village will have replacement nets on hand.

Trustee Erbeck directed staff to check to see if we have the agreed amount of port-a-potties in Town Center Park.

Trustee Erbeck reported that the Memorial Park ball field third base line is inundated with weeds. Administrator Keller reported staff is working on having a professional application applied. There was lengthy discussion with respect to who is responsible for the removal of the weeds.

Trustee Erbeck reported that the Gilbert Town Center soccer field has been rolled twice now. However, he is unsure that all of the areas have been rolled. There are four suitable playing areas but there are going to be a lot more groups using the fields. Chief Building Inspector Swedberg reported that they have been mowing from the center out. However, this time a year the ground is typical too hard to roll. However, if we were to receive a couple days of rain he would be happy to roll the additional areas.

Trustee Erbeck reported that over the weekend he attended the Lake in the Hills Summer Fest and their CERT's group had an interesting tent and set-up. They also provided service and thought maybe the Village might want to see if they could borrow some of their equipment. Trustee Mierisch stated that our CERT team right now is struggling to decide if they want to participate in the End of the Summer Event or assist the police department.

Trustee Erbeck reported that the Lake in the Hills CERT booth provided water so people did not become dehydrated. Trustee Mierisch stated this might be a possibility if she receives her grant money.

Trustee Erbeck stated that he noted the Police Department did have the two vans towed and asked Chief Joswick if they were eligible for auction. Chief Joswick replied, currently there are some legal issues that need to be addressed.

Trustee Erbeck discussed the email that was recently received with respect to the use of illegal fireworks. For the record he asked Chief Joswick to confirm that the best way to report illegal activity is to dial 911.

Chief Joswick confirmed that 911 is the proper way to report illegal activity. In addition the Officer was able to apprehend the person who was firing off the fireworks in question.

Acting Clerk Meadows provided the Board with update on the status of the End of the Summer Event. President Zirk went on to elaborate on the event.

President Zirk reported that the Capital Bill had been signed and the Village of Gilberts' fared very well.

President Zirk reported that he had approached Senator Lauzen and asked if he could help with the recent collapse of Hennessy Bridge. President Zirk explained to Senator Lauzen the Village had to pay over \$350,000.00 for the repair. Included in the Capital Bill was a line item to reimburse the Village for the bridge repair.

President Zirk recommends creating a Park's Committee that is comprised of residents and the athletic organizations. Trustee Erbeck stated that is fine however, any recommendations that they would make to the Board could not be acted on due to the lack of funds. Trustee Erbeck stated if a committee was formed the Board would need to give a budget and the power to make improvements.

Trustee Zambetti stated that in the past the Board had discussed allowing companies to advertise at the fields for and charge an advertisement fee.

President Zirk stated that the Parks Committee would be responsible for laying out the use of the fields by the various athletic organizations and addressing any concerns. In addition, by creating the committee it would free up some of the Board Members time spent on these types of issues.

Trustee Garcia is concerned that if the Committee did not have any power or authority to handle resident concerns resident would be frustrated. Trustee Garcia disagrees with the Park Committee concept.

Trustee Erbeck asked if staff had researched the options of the creation of a Park District vs. a Park Committee or the possibility of partnering with other communities park districts.

Administrator Keller stated that they have however, he is waiting for direction from the Board. The last time it was discussed it did not appear that this was one of the top priorities.

There was some discussion with respect to the priority list.

President Zirk reported that he is not receiving any e-mail spam.

A motion was made by Trustee Garcia and seconded by Trustee Erbeck to close a portion of the meeting to the public, effective immediately with no business to follow as permit by 5 IL 120/2 (c) (1) to discuss appointment, employment, compensation, discipline, performance or dismissal of specific employees of the Village. Roll call: Vote: 6-ayes (Trustees Mierisch, Zambetti, Farrell, Garcia, Erbeck and Clark). 0-nays, 0-abstained. Motion carried. The Board recessed for five minutes and went into Executive Session at 10:27 p.m. and returned to the public meeting at 11:40 p.m.

Rick,

I will not be at the meeting tonight, I'm sure you understand why. Would you read the following statement for me at the time you promote Ofr. Block to Sgt. Block I would greatly appreciate it.

Officer Block I am sorry I can't be there to celebrate your promotion with you. I have known you from the first day you joined the GPD, and have always had great admiration for the professional ways you handle yourself as a Police officer, and in your personal life as well. We as a village are very fortunate to have you as part of our Police Dept. and hope that your tenure here will go on for a long time.

Having said all that It is a pleasure to have been able to affix my name to the paperwork promoting you to the Rank of Sgt. and I wish you continued success and growth with the GPD. I am very proud of you and your accomplishments.

Carry On,
Commissioner Lindoerfer
