

VILLAGE OF GILBERTS

RESOLUTION 15-2021

A RESOLUTION AUTHORIZING APPROVAL OF AGREEMENTS WITH MIDWEST POWER VAC AND WATER SURPLUS FOR THE REMOVAL AND REPLACEMENT OF WATER SOFTENER MEDIA IN AN AGGREGATE AMOUNT NOT TO EXCEED \$40,000

WHEREAS, the Village of Gilberts (“Village”) has a Public Works Department which maintains Village streets and other Village infrastructure, which includes the Village’s waterworks system; and

WHEREAS, the Village currently uses water softeners in the water production process; and

WHEREAS, the softener filtration media requires replacement; and

WHEREAS, adequate funds were included in the FY2022 Budget for the removal and replacement of the softener media for one of the three softeners as part of a multi-year replacement program; and

WHEREAS, the Public Works Department obtained multiple quotes for the removal and replacement of the softener medium with the low quote for removal being provided by Midwest Power Vac and for replacement by Water Surplus.

THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF GILBERTS, ILLINOIS, as follows:

Section 1. **Recitals.** The recitals set forth above are hereby incorporated into and made a part of this Resolution as though set forth in this Section 1.

Section 2. **Approval; Authorization.** The Village Board of Trustees hereby authorizes the Village Administrator to execute agreements and other necessary documents with Midwest Power Vac and Water Surplus for the removal and replacement of water softener media in an aggregate amount not-to-exceed \$40,000.

Section 3. **Waiver of Competitive Bidding.** To the extent any competitive bidding requirements apply to the agreements with Midwest Power Vac and Water Surplus, such competitive bidding requirements are hereby waived pursuant to Section 8-9-1 of the Illinois Municipal Code (65 ILCS 5/8-9-1).

Section 4. **Effective Date.** This Resolution shall be in full force and effect after its

approval in the manner provided by law.

PASSED BY VOTE OF THE BOARD OF TRUSTEES of the Village of Gilberts, Kane County, Illinois, this 1 day of June 2021.

Re: Service Quote #21-0503-01

Mr. Ruemelin,

WaterSurplus is offering site services for an emergency completion of resin and gravel replacement to restore the Village of Gilberts Water Treatment Facility Softener #3 to near design criteria. The scope of services offered in this quotation include supervision and labor for replacement of all the media in one pressure filter vessel and inspect all 48 diffuser plates. WaterSurplus will refill and condition the new media and assist the village with sanitizing during initial regeneration. WaterSurplus will provide an experienced and qualified service engineer for the duration of the project. WaterSurplus will have on hand enough diffuser plates to replace all that may be damaged and will bill separately for any that are used.

Thank you for the opportunity to offer these services to the Village of Gilberts. Please feel free to contact WaterSurplus if you have any questions or comments on this information.

I. LABOR AND TOOLS

During the resin replacement, personnel will use WaterSurplus provided tools, ladders, or scaffold, as necessary. Old/used media shall be disposed of by the Village of Gilberts. Workers will try to keep dust and dirt to a minimum but will not be responsible for accidental damages to non-essential equipment in or near the water treatment facility. The village will be expected to provide an operator and forklift during the loading of medias as needed. The village will need to supply 2 ½” fire hose long enough to get to the overhead door access, with a minimum of 40 psi and 40 gpm available.

II. MEDIA AND CONSUMABLES

WaterSurplus will install 320 cuft of cation resin and 90 cuft of gravel to one vessel. WaterSurplus will provide assistance to the village for sanitizing and conditioning the new media. 320 cuft of Cation Exchange Resin and 90 cuft of replacement gravel will be shipped in bags wrapped on pallets to the site by WaterSurplus. The village will be expected to unload the pallets when they arrive and store them in a safe area. Media will be shipped approximately 7 business days before the start of the project.

III. PRICING

Labor, expenses, and tools:	\$8,909.50
Medias, Gasket and Consumables:	\$25,995.50

Total Not To Exceed: \$34,905.00

* Any diffusers replaced will be billed separately at a rate of \$96.75 each, installed *
