

2021 ANNUAL SANTA RUN

Rutland-Dundee Firefighter's Association

Dear Resident,

It has been a long year! Due to the concern for the general public's health and safety, we had to cancel last year's Santa Run. WE ARE BACK, and the Rutland-Dundee Firefighter's Association will be conducting our annual Santa Run event within your Fire District. The events include our annual Santa Run, and most importantly, our **COMMUNITY FOOD DRIVE**. The Santa Run dates back to 1973 and provides residents an opportunity to support their community as well as their local Rutland-Dundee Firefighters. And of course, visit with Santa!

Don't miss the Santa Run while Santa makes his way through your neighborhood. The Rutland-Dundee Firefighters, our family and friends, and Teachers and Staff from the two local elementary schools will accompany Santa on his tour. Young or old, Santa will be able and willing to greet everybody and wish a happy holiday to all. During Santa's travels, the volunteers will be collecting **non-perishable food items and new toys (no clothing this year, please)** that will be donated to the following local food pantries and shelters:

- Fish Pantry in Carpentersville - Fish Pantry helped feed over 6,000 families in 2016 (www.fish-food-pantry.org).
- Community Crisis Center of Elgin - The Crisis Center currently houses over 40 woman and children who are homeless and have been subject to domestic violence and financial crisis. (www.crisiscenter.org)
- District 300 Food Pantry – The D300 Food Pantry serves the families and employees of District 300 (www.d300foodpantry.org)

Santa's Schedule
