

VILLAGE OF GILBERTS

WINTER 2014

Dear Residents,

We've had another successful year as Gilberts continues to build upon our successes as a great place to live and work.

As the holiday season approaches, while we all hope for a dry, mild winter, the Village has an ample supply of road salt to deal with icy conditions and heavy snowfalls. In the meantime, we all look ahead to next summer, when everyone will be able to enjoy the new splash park, playground, baseball diamond and concessions building at Town Center Park.

In addition to the park project, the Village invested in several stormwater improvements and started rebuilding Mason Road. The Village partnered with homeowners to replace 94 parkway trees through our expanded tree replacement program, which we look to continue next year.

In addition to continuing to work with Interstate Partners to build out their Prairie Business Park development, Gilberts welcomed the following businesses to the community:

- Abel Care Services
- Abel Plus Services, Inc
- Action Auto Werks
- Battery Guy, Inc
- Black Rhino Concealment
- C3 Construction
- Hacienda de los Perez Mexican Grill
- Mapes Auto Upholstery
- Praxair Distribution Inc
- Pub 72
- Sergio's Auto Body
- T & D Auto Sales, Inc
- X Factor Auction & Appraisals
- Royal Consultancy Group, Inc
- Swedish Organizer

On behalf of the Village of Gilberts Board of Trustees and staff, we wish you a happy and safe holiday season.

Rick Zirk
Village President

Annual Bonfire

The Village would like to thank the YMCA, the Rutland Dundee Fire Protection District, the Police Department, Public Works, Kyuki-do Martial Arts, and DJ Rudy K. for helping make this year's bonfire a success.

West End Recycling - 64 West End Dr, 847-426-6580

American Council of Engineering Companies-Excellence Award

On February 6, 2015 the Village of Gilberts along with their engineering firm Baxter & Woodman will be recognized by the ACEC for the Village's newly constructed barium/radium removal system. This prestigious award is given to those projects worthy of special recognition of the engineering firm and the client who have enhanced the economic and social welfare of the general public.

Snow Parking Ban

As winter approaches, please keep in mind the snow parking ban in the Village. It is unlawful for any person to park a vehicle or trailer on any street within the Village after 2" or more of snow fall. Keeping cars off the streets allows for adequate snow removal.

When clearing off your driveways or sidewalks, do not push the snow onto the street as the snow may make for slippery conditions especially if they have already been cleared by Public Works.
