

Village of Gilberts

A Word from the President

My Fellow Gilberts Residents,

Spring is in the air in Gilberts with anticipation of 2018 projects and programs. You will see a number of road projects and parks improvements including new seating and landscaping at the Splash Pad. Our water tower in Indian Trails will be painted and undergo periodic maintenance. Commercial development at Route 72 and Tyrrell is gaining steam with the new Dunkin' Donuts and Shell station.

For the seventh consecutive year, Gilberts has received the Certificate of Excellence in Financial Reporting from the Government Finance Officers Association. In addition to diligent financial reporting, we are set to finish our fiscal year with surplus funds and pass a new budget with another projected surplus. We continue to manage your money well despite the uncertainty in Springfield.

As the weather heats up so do our activities beginning with the Easter Egg Hunt, Fishing Derby, and our signature annual event-Community Days the first weekend of June. This is in addition to Movies in the Park and Sunday Car Shows. I'm looking forward to Spring and we hope to see you at our village events.

Yours for a better Gilberts,

Rick Zirk

Yard Waste/Refuse Pick-Up

Yard waste pick-up will resume once again beginning the first week of April. Please remember:

- Place yard waste in 30-gallon biodegradable brown paper bags or in open 30-gallon garbage cans.
- Bundled tree branches cannot be longer than 4 feet and no larger in diameter than a 30 Gallon garbage can.
- Keep in mind all bundles and bags must **not exceed 40 pounds**.

Call MDC at 815-568-7274 to arrange special appliance collection.

Important Program Highlights to remember for **Garbage Pick-up**:

- Have cans out by 7:00 am.
- Place cans 4 feet apart.
- Bulk items are accepted: couches, tables, beds, bundled carpets.

Stormwater Public Education

Did you know there are things you can do around your home to protect the environment and our water sources? The following are a few healthy household habits:

- When washing your car consider using a commercial car wash or wash your car on a lawn or other unpaved surface to minimize the amount of dirty, soapy, water flowing into the storm drain and eventually into your local water bodies.
- Always recycle used oil and other automotive fluids at participating service stations. Don't dump these chemicals down the storm drain or dispose of them in your trash.

For more information on ways to create healthy household habits visit the Environmental Protection Agency website at www.epa.gov.

2018 Primary Election

The 2018 Primary Election is March 20th. Early voting began March 5th and ends on Monday, March 19th. For more information visit the Kane County Elections website at www.kanecountyelections.org

Contractor Registration

With construction projects beginning around the house, be certain that the contractor you hire is registered with the Village. The Village's Contractor Registration Program helps ensure that construction projects are completed with a reasonable amount of security for homeowners. For further information or to verify your contractor is registered contact the Building Department at 847-428-4167.

Radon

Radon can be found throughout the county which is typical for the state of Illinois. This is because the rocks and soil can contain uranium which produces radon, the odorless gas. Radon can seep through cracks and expose those inside a home to the dangerous radiation. Radon has been found to be the leading cause of lung cancer in non-smokers. Testing homes for the level of radon is the best way for families to know whether they are at risk. For more information on how to obtain a radon testing kit visit The Kane County Health Department's website at www.kanehealth.com.

Save the Date

Community Days 2018 Festival will be on **Friday, June 1st thru Sunday, June 3rd** at Town Square Park located at the intersection of Route 72 and Center Drive. As in previous years, admission is free. Friday's headliner is American English who will be performing from 8:00-10:00 pm. If classic rock from the 80s and 90s is your music preference, you'll want to come out Saturday night to see 97 Nine perform live from 8:00-10:00 pm. Modern Day Romeos will close out the festival on Sunday from 4:00-6:00pm. A wide selection of food vendors will be available. Children's activities will take place throughout Saturday and Sunday afternoon which include crafts, a petting zoo, a magic show and Home Depot will provide children's crafts on Sunday.

Shuttle Service

2018 New Parking Location

On Friday and Saturday take advantage of the free shuttle service provided by the YMCA from 6:30-10:30 pm which is located at the Dundee Middle School parking lot off of Route 72 and Randall Road.
